

Cable Management Zip Tidy

Part No: VID0238

[View Online](#)

Designed to keep cables tidy between the desk and the floor. The zip tidy is an easy to use fabric cable management system, which utilises a zip fastener for fast and simple operation. The fabric construction of the zip tidy means that it is not only flexible, but also durable and lightweight.

The zip tidy screws to the underneath of the desk and the weight base keeps the slinky in place.

The zip tidy is 800mm in length to accommodate most desk heights.

Features & Benefits

- The zip tidy keeps cables neat and organised between the desk and the floor
- The zip close makes it easy to add and remove cables quickly
- The fabric construction makes the zip tidy flexible, whilst also durable and lightweight
- A weighted base keeps the unit in place
